

## Where Do We Go From Here?

The arrival of our new rector will mean the start of a new chapter at Caldy and St. Bridget's. The Ministry Team and the Church Wardens have started to think about how we can best prepare for this. We have been reviewing several areas of parish life in order to give Alex a sense of our journeying together as a Christian community, especially during the months of 'lockdown'. We have considered the following in particular:

- our pattern of worship, the content and presentation
- our concern to share the Good News of the Gospel within and beyond our church community
- our concern for each other – our pastoral support network
- our use of the technology now available to us
- our concern for our local community – including St Bridget's Centre, Caldy Hall, our school links
- our concern for the wider world – people in poverty, in poor health, suffering the impact of climate change;
- our concern for the beauty of God's creation all around us.

Our new rector will bring her own ideas and perspective but has expressed a desire to understand what has gone before and what vision we have for the future. Please think and pray about the life of our churches and communities and pray for Alex as she prepares to move to the parish and begin her ministry amongst us.
